# SCHOOL UNIFORM POLICY

ST EDWARD'S SCHOOL, SOUTH TAMWORTH

---

## RATIONALE

---

St Edward's School has had a long and established tradition since its foundation that students are to be well presented and wear a standardised uniform. Upholding this tradition and being considerate of current times and circumstances, the following Uniform Policy has been formulated.

---

## AIM

---

St Edward's School Uniform Policy aims:

- To promote equality amongst students
- To encourage a sense of 'identity' and 'belonging' to our Catholic School community of St Edward's
- To foster a sense of pride in the uniform of our school
- To allow every child to be dressed uniformly regardless of any economical or financial disadvantage their family may experience
- To foster an awareness within students of the importance of good grooming and the impact wearing our school uniform 'well' has on the wider community

---

## IMPLEMENTATION

---

Parents and Guardians are made aware of the St Edward's School Uniform requirements on enrolment and at the commencement of each school year. Stockists are also listed for those parents wishing to purchase our school uniform through local businesses. A Clothing Pool operates from the school office to allow parents access to uniforms at a less expensive cost.

Students are reminded in class and on assembly of our St Edward's Catholic School Code of Conduct that states "We are proud of our school and will wear our correct uniform." Consequences are listed if this code is not upheld.

- All ribbons, scrunchies, headbands etc. must be blue or school uniform colours.

---

### **BREACHES OF THE POLICY**

---

There may be times or circumstances whereby a student or students are unable to wear the correct school uniform for a short period of time. Where the situation is unavoidable the student is to have a note from the parents/guardians explaining the reason for not having the correct uniform and how long there may need to be an exemption. Permission will be granted for no more than a reasonable time as deemed by the Principal or member of the Executive. In cases where there are significant difficulties in relation to the uniform, the Principal will need to be informed.

---

### **AMENDMENTS TO THE POLICY**

---

Amendments may be made to the policy after consultation with the Staff and School Board. Any amendments to the policy will be communicated by the re-issue of the policy in its amended form.

---

### **EVALUATION**

---

The St Edward's School Uniform Policy is designed to establish positive attitudes of equality, personal responsibility, personal and communal pride and school spirit. The full support of the school community is essential in achieving and maintaining these goals. This policy will be reviewed when necessary or as circumstances require.
